LEE COUNTY/CITY OF CAPE CORAL EAST-WEST CORRIDOR INTERLOCAL AGREEMENT

This Interlocal Agreement is made and entered into this 22nd day of March, 1995, by and between LEE COUNTY, FLORIDA, a political subdivision of the State of Florida, (hereinafter "COUNTY") and the CITY OF CAPE CORAL, FLORIDA, a Florida municipal corporation located within Lee County; (hereinafter "CITY"), collectively, the "Parties" hereto.

WHEREAS, pursuant to the powers and authority granted the Parties under the constitution of the State of Florida and by statute, each has planned, separately and in cooperation with the other, an integrated road network; and,

WHEREAS, in a cooperative effort between the Parties to accomplish shared transportation objectives, certain interrelated capital transportation facilities known as the "Midpoint Bridge" (from Deleon Street in the City of Fort Myers to the Del Prado Interchange in the City of Cape Coral), the "East-West Corridor" (from the Del Prado Interchange to Santa Barbara Boulevard in the City of Cape Coral) and Colonial Boulevard from Deleon Street to Solomon Boulevard in the City of Fort Myers (collectively, the "PROJECT") have been planned; and,

WHEREAS, the cooperative effort of the Parties has included successful participation in the litigation and related expense to establish the authority of the Parties to plan and construct the PROJECT, as reflected in Lee County and The City of Cape Coral v. The City of Fort Myers, Case No. 88-5598-CA; and,

WHEREAS, the cooperative effort of the Parties has included shared expense of preliminary engineering and the preparation and approval through the public hearing process of the Environmental Impact Statements (E.I.S.) for the PROJECT; and,

WHEREAS, the Parties seek to continue the cooperative effort through the financing, design, right-of-way acquisition, and construction of the PROJECT in a manner that fairly accomplishes the Parties' respective transportation goals and objectives; and,

WHEREAS, the cooperative financing effort includes a proposal to utilize a share of the CITY'S debt capacity to fund the construction of a portion of the PROJECT; and,

WHEREAS, the Parties seek to utilize the "Toll Revenues" and "Net Surplus Toll Revenues" as herein defined, in order to mitigate the effect of the pledge of the CITY'S credit, and to equitably distribute same, so as to meet future CITY and COUNTY transportation needs.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, the Parties agree as follows:

1. The Parties agree that the PROJECT shall be included within the Lee County Road System for the purposes of superintendence and control by the COUNTY as set forth in the "Florida Transportation Code" Chapter 334.01 et. seq., Florida Statutes, and for all other legal purposes.

2. The Parties acknowledge and agree that the COUNTY shall use all reasonable efforts to finance, design, construct and maintain the transportation facility

known as the "Midpoint Bridge" project. The "Midpoint Bridge" project herein referred to shall consist of construction of the toll funded multi-laned road and bridge from Deleon Street in the City of Fort Myers to Del Prado Boulevard in the City of Cape Coral. The Parties further acknowledge and agree that the COUNTY shall use all reasonable efforts to finance, design, construct, acquire right-of-way for and maintain the Del Prado Boulevard Interchange, which connects the "Midpoint Bridge" project with the "East-West Corridor".

3. a) The Parties agree that the CITY, with the COUNTY'S prior request, review and approval, will use its bonding capacity to finance part of the "East-West Corridor", west of the Del Prado Interchange to Santa Barbara Boulevard. COUNTY'S approval of said financing shall not be unreasonably withheld. Subsequent to the COUNTY'S issuance of its "Toll Bonds" for the PROJECT, the CITY agrees to issue Local Option Gas Tax Revenue Bonds sufficient to finance no more than \$18.6 million of COUNTY construction funds for the Del Prado Interchange to Santa Barbara Boulevard portion of the PROJECT and \$5.0 million, or such other amount as provided for below, for the financing of CITY transportation projects at its discretion. The application of interest earnings from the proceeds of the Gas Tax Bonds issued by the CITY will be determined by the distribution of the bond proceeds to the Parties. The Parties agree that at the time of the issuance of the CITY'S bonds, the CITY may withhold \$5.0 million, or such other amount as provided for below, from the proceeds of the CITY'S bond issue.

If the COUNTY finds and notifies the CITY that the estimated CITY Gas Tax

bonding needs for the development of the Del Prado Interchange to Santa Barbara portion of the PROJECT is less than currently anticipated, the CITY agrees to reduce the total amount of the bonded debt accordingly. To the extent that the COUNTY'S required construction proceeds from the CITY'S Gas Tax bond issue are less than \$16.0 million, there will be a corresponding proportional reduction in the amount of funds to be withheld by the CITY. For purposes of establishing the percentage reduction for the CITY'S withheld funds, the "Total Gas Tax Bond Issue" shall mean the COUNTY'S actual construction proceeds, plus \$5.0 million. The proportional reduction in the funds to be withheld by the CITY shall be as follows: 1) from \$16.0 million to \$13.4 million of COUNTY construction proceeds, 24% of the total Gas Tax bond issue will be withheld by the CITY, 2) from \$13.3 million to \$3.0 million of COUNTY construction proceeds, 21% of the total Gas Tax bond issue will be withheld by the CITY (See: Exhibit "A" attached hereto, for examples of distribution). Any such reduction in the amount bonded by the CITY shall not affect the CITY'S released dedication of certain Gas Tax proceeds as set forth in paragraph c), below.

b) The balance of the funds required to finance the East-West Corridor will be provided solely by the COUNTY. The CITY will pledge its share of the COUNTY'S Local Option Gas Tax revenues (Section 336.025(1), Florida Statutes) as set forth herein, pursuant to a bond resolution, and by this Agreement, the COUNTY will pay to the CITY on an annual basis with toll or any other lawfully available County revenue sources, a sum of funds equal to the CITY'S actual debt service on the CITY'S total bond issue for the term of said bonds. Other than as set forth in this section, the

COUNTY shall use all reasonable efforts to finance, design, construct, acquire right-of-way for, and maintain the PROJECT.

c) The Parties agree that upon execution of this Agreement, the 2% increase to the allocation for Fiscal Year 1994-95 Gas Tax proceeds and the 4% increase to the allocation for Fiscal Year 1995-96 Gas Tax proceeds designated for use on the East-West Corridor as outlined in the June 27, 1994, Addendum to Gas Tax Interlocal Agreement (Section 3) between the Parties, shall be released from the dedication requirement.

4. The Parties acknowledge that an extension of the "East-West Corridor" project west of Santa Barbara Boulevard to Miracle Parkway is a future additional, essential link in the PROJECT in order to establish a continuous facility from the eastern to the western limits of the CITY. The Parties agree that the COUNTY shall use all reasonable efforts to design that portion of the "East-West Corridor" from Santa Barbara Boulevard to connect with Miracle Parkway. The Parties agree that the CITY may, but is not required to, conduct advance right-of-way acquisition for the Santa Barbara Boulevard to Miracle Parkway portion of the PROJECT in order to expedite construction and to control cost. Unless otherwise agreed to by the CITY under official CITY action, the actual costs of the advance right-of-way cost (not including "internal" or "in-house" costs), shall be reimbursed to the CITY by the COUNTY at or prior to commencement of construction. Such reimbursement shall be conditioned upon COUNTY'S approval of CITY'S purchase price and costs for any property acquired by CITY prior to closing of each parcel. Such approval shall not be unreasonably withheld

by COUNTY. COUNTY agrees to construct this portion of the corridor when necessary, appropriate and financially feasible.

5. The Parties acknowledge that both the existing Cape Coral Bridge and the future Midpoint Bridge facility will produce certain toll revenues. The Parties further acknowledge that based upon revenue projections by the feasibility and financial consultants retained by the COUNTY, there may be at some point in time, "Net Surplus Toll Revenues" as herein defined, generated by the Cape Coral Bridge and Midpoint Bridge facilities.

For purposes of this Section 5, the terms used herein shall have the following meaning:

1. "Additional Obligations" shall mean indebtedness payable on a parity with the Outstanding Bonds, whether such indebtedness is initially issued on a parity basis or achieves parity status by accession as set forth in the Resolution.

2. "Bonds" shall mean the Outstanding Bonds and any Additional Obligations.

3. "Bridges" shall mean the Cape Coral Bridge and the Midpoint Bridge.

4. "Bridges Debt Service Requirement" shall mean the sum of (a) the product of the Debt Service Requirement for the Outstanding Bonds multiplied by the ratio derived by dividing the sum of the amount or proceeds of the Outstanding Bonds used to finance the Bridges and extensions and improvements thereto and any capitalized interest in connection therewith by the total proceeds of the Outstanding Bonds less the sum of (i) any accrued interest, (ii) all issuance costs including any bond insurance premium or other credit enhancement fees, and (iii) any deposit to the Reserve

Subaccount established pursuant to the Resolution, and (b) the product of the Debt Service Requirement for any outstanding Additional Obligations and Subordinated Indebtedness multiplied by the ratio derived by dividing the amount of proceeds of any such Additional Obligations and Subordinated Indebtedness used to finance improvements, modifications or extensions to the Bridges and any capitalized interest in connection therewith by the total proceeds of such Additional Obligations and Subordinated Indebtedness less the sum of (i) any accrued interest, (ii) all issuance costs including any bond insurance premium or other credit enhancement fees, and (iii) any deposit to the Reserve Subaccount established pursuant to the Resolution or to any reserve account for Subordinated Indebtedness.

5. "Debt Service Requirement" for any annual period shall mean the aggregate amount of (a) interest paid or to be paid on account of the Bonds or any Subordinated Indebtedness during such annual period, except to the extent that such interest is paid from the proceeds of such Bonds or Subordinated Indebtedness, (b) principal of the Bonds or Subordinated Indebtedness paid or to be paid during such period whether such payment is due to maturity or mandatory redemption, (c) any deposits to the Reserve Subaccount required by the Resolution, or to any reserve account for Subordinated Indebtedness, during such period, and (d) disbursements for the expenses, liabilities and compensation of any paying agent, registrar, credit bank or depository related to the Bonds or Subordinated Indebtedness during such period.

6. "Gross Revenues" shall have the meaning provided therefor in the Resolution.

7. "Net Revenues" shall mean Gross Revenues less Operating Expenses.

8. "Operating Expenses" shall have the meaning provided therefor in the Resolution.

9. "Outstanding Bonds" shall mean (a) the Lee County, Florida Transportation Facilities Revenue Bonds, Series 1987, (b) the Lee County, Florida Transportation Facilities Refunding Revenue Bonds, Series 1991, (c) the Lee County, Florida Transportation Facilities Refunding Revenue Bonds, Series 1993 & 1993A, and (d) the Lee County, Florida Transportation Facilities Revenue Bonds, Series 1995.

10. "Renewal and Replacement Costs" shall mean an amount equal to five percent (5%) of the Gross Revenues of the Bridges.

11. "Resolution" shall mean Resolution No. 86-4-12 of the COUNTY, as restated, amended and supplemented.

12. "Subordinated Indebtedness" shall mean indebtedness secured by Net Revenues on a basis junior and subordinate to the Bonds.

On each April 1, following the first September 30 subsequent to completion of the Midpoint Bridge, the COUNTY shall remit to the CITY from monies available in the Surplus Account established by the Resolution, forty percent (40%) of the Net Surplus Toll Revenues as defined herein derived from operation of the Bridges during the preceeding fiscal year (October 1 to September 30) prior to each payment date, along with an accounting for such payment. Such percentage may be reviewed and renegotiated by the Parties in good faith, each five (5) years following the execution of this Agreement.

For purposes of this Agreement, "Net Surplus Toll Revenues" shall mean Gross Revenues of the Bridges less (i) Operating Expenses of the Bridges, (ii) the Bridges Debt Service Requirement, (iii) the Renewal and Replacement Costs of the Bridges, (iv) any payments made by the COUNTY to reimburse the CITY for debt service pursuant to Section 3 hereof, (v) debt service payments made by the COUNTY with respect to its Capital and Transportation Facilities Refunding Revenue Bonds, Series 1993A , (vi) any debt service payments made by the COUNTY with respect to obligations it issues to pay for costs of the PROJECT other than the Bonds and the obligations of the COUNTY secured by a pledge of the COUNTY'S share of the gas tax levied by the COUNTY pursuant to Section 336.025(1), Florida Statutes, as described in the Interlocal Agreement between the Parties dated June 27, 1994 (Lee County Contract No. C-93-0835), and (vii) any other debt service payments on any of the outstanding bonds as defined in paragraph 9. above, if necessary.

"Net Surplus Toll Revenues" shall be calculated prior to any deduction of debt service payments by the COUNTY for bonded transportation projects other than the PROJECT, which for purposes of this provision, shall also include the proposed road improvements from Santa Barbara to the Burnt Store Road Extension in the City of Cape Coral.

"Net Surplus Toll Revenues" shall further be calculated after the allocations to the CIP as currently contained in the Lee County CIP for FY 95-99, and programmed for Fiscal Years 94-95, 95-96 and 96-97, have been deducted. For all years following Fiscal Year 96-97, "Net Surplus Toll Revenues" shall be calculated prior to any

allocations to the Lee County D.O.T. CIP. Funds paid to the CITY pursuant to this Agreement shall be used for any transportation purpose as authorized by applicable Florida Statutes.

It is expressly understood and agreed by the CITY that the obligation of the COUNTY to make payments to the CITY required by this Agreement is in all respects subject to the Resolution, and that such payments shall be made only from the Surplus Account established pursuant to the Resolution, to the extent monies are available therein for such purpose, and are junior and subordinate to all payments required by the Resolution.

Finally, except for the Gas Tax Bonds as contemplated by this Agreement and as issued by the CITY, nothing herein shall be construed or interpreted to create or constitute an obligation or responsibility of the CITY for any deficits in the revenues from the PROJECT.

6. The Burnt Store Road Extension consists of the continuation of Burnt Store Road south of State Road 78 to the East-West Corridor at Miracle Parkway. This Agreement shall not affect the existing Interlocal Agreement between the Parties pertaining to Burnt Store Road.

7. The Parties acknowledge that the CITY has made certain expenditures for matters in advance of construction of the Midpoint Bridge to assist the COUNTY. The CITY'S efforts include filling certain canals necessitated by the future construction, relocation of existing in-service sewer lines in the PROJECT path, and additional wastewater engineering services associated with the Midpoint Bridge project. The

COUNTY agrees to reimburse the CITY the total sum of \$200,000 for those expenditures, pursuant to invoices from the CITY with back-up documentation.

8. In the event any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity or illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be constructed as if such invalid, illegal or unenforceable provision had never been contained herein.

9. This Agreement shall remain in full force and effect through the calendar year 2017, and will be evaluated by the Parties hereto in calendar year 2007, except that the Net Surplus Toll Revenue sharing formula as set forth herein shall remain in full force and effect as long as either or both the Cape Coral or Midpoint Bridges shall remain toll facilities. This Agreement shall be construed in accordance with the laws of the State of Florida.

10. If this Agreement is not adopted and executed by the City of Cape Coral within fourteen (14) days from the date of execution by Lee County, then this Agreement will automatically become void, and of no further force or effect.

11. This Agreement may be executed in counterparts, with each Agreement becoming a fully effective and binding document upon the Parties once both Parties have each executed this Interlocal Agreement by their duly authorized representatives.

IN WITNESS WHEREOF, the Parties have hereunto set their hands and seals
the date and year first above written.

On each April 1, following the first September 30 subsequent to completion of the Midpoint Bridge, the COUNTY shall remit to the CITY from monies available in the Surplus Account established by the Resolution, forty percent (40%) of the Net Surplus Toll Revenues as defined herein derived from operation of the Bridges during the preceding fiscal year (October 1 to September 30) prior to each payment date, along with an accounting for such payment. Such percentage may be reviewed and renegotiated by the Parties in good faith, each five (5) years following the execution of this Agreement.

For purposes of this Agreement, "Net Surplus Toll Revenues" shall mean Gross Revenues of the Bridges less (i) Operating Expenses of the Bridges, (ii) the Bridges Debt Service Requirement, (iii) the Renewal and Replacement Costs of the Bridges pursuant to the Lee County Bond Covenants, (iv) any payments made by the COUNTY to reimburse the CITY for debt service pursuant to Section 3 hereof, (v) debt service payments made

by the COUNTY with respect to its Capital and Transportation Facilities Refunding Revenue Bonds, Series 1993A, (vi) any debt service payments made by the COUNTY with respect to obligations it issues to pay for costs of the PROJECT other than the Bonds and the obligations of the COUNTY secured by a pledge of the COUNTY'S share of the gas tax levied by the COUNTY pursuant to Section 336.025(1), Florida Statutes, as described in the Interlocal Agreement between the Parties dated June 27, 1994 (Lee County Contract No. C-93-0835), (vii) any repayment of the Toll Facilities Revolving Trust Fund (TFRTF) loan by the State of Florida for Veteran's Memorial Parkway between Santa Barbara Boulevard and Surfside Boulevard; (viii) any repayments to the commercial paper debt incurred for the construction of Veteran's Memorial Parkway between Santa Barbara Boulevard and Miracle Parkway; (ix) any project costs, including land acquisition, professional fees, permits and construction of Veteran's Memorial Parkway between Santa Barbara Boulevard and Surfside; (x) construction costs, including any monies advanced by COUNTY for construction of Veteran's Memorial Parkway, of that portion of road segment formally known as "Veteran's Memorial Parkway Extension", from Surfside Boulevard to approximately 800 feet north of Pine Island Road, including the intersection of Veteran's and Pine Island Road; State of Florida Infrastructure bank loans, or any other enhancement projects as mutually agreed to by both government entities, and (xi) any other debt service payments on any of the outstanding bonds as defined in subsection 9. above, if necessary.

"Net Surplus Toll Revenues" shall be calculated prior to any deduction of debt service payments by the COUNTY for bonded transportation projects other than the

PROJECT, which for purposes of this provision, shall also include the proposed road improvements from Santa Barbara to the Burnt Store Road Extension in the City of Cape Coral.

Funds paid to the CITY pursuant to this Agreement shall be used for any transportation purpose as authorized by applicable Florida Statutes.

It is expressly understood and agreed by the CITY that the obligation of the COUNTY to make payments to the CITY required by this Agreement is in all respects subject to the Resolution, and that such payments shall be made only from the Surplus Account established pursuant to the Resolution, to the extent monies are available therein for such purpose, and are junior and subordinate to all payments required by the Resolution.

Finally, except for the Gas Tax Bonds as contemplated by this Agreement and as issued by the CITY, nothing herein shall be construed or interpreted to create or constitute an obligation or responsibility of the CITY for any deficits in the revenues from the PROJECT.

5. The "Burnt Store Road Extension" of the Veteran's Memorial Parkway consists of the continuation of Burnt Store Road south of State Road 78 to the East-West Corridor at Surfside Boulevard. This Agreement shall not affect the existing Interlocal Agreement between the Parties pertaining to the Burnt Store Road Extension" of the Veteran's Memorial Parkway. Prior to the disbursement of any Net Surplus Toll Revenues, any costs for construction of the Veteran's Memorial Parkway Extension will be deducted as previously provided in Section Four, subparagraph five herein.

The CITY and the COUNTY acknowledge that the construction of the Veteran's Memorial Parkway Extension, consisting of Veteran's Memorial Parkway between Santa Barbara Boulevard and Surfside Boulevard, and Surfside Boulevard to approximately 800 feet north of Pine Island Road, including the intersection of Veteran's and Pine Island Road, will commence in Calendar Year 2001. The COUNTY will use all reasonable efforts to complete construction in Calendar Year 2002.

6. In the event any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity or illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be constructed as if such invalid, illegal or unenforceable provision had never been contained herein.

7. This Agreement shall remain in full force and effect through the Calendar Year 2020, and will be evaluated by the Parties hereto in Calendar Year 2010, except that the Net Surplus Toll Revenue sharing formula as set forth herein shall remain in full force and effect as long as either or both the Cape Coral or Midpoint Bridges shall remain toll facilities. This Agreement shall be construed in accordance with the laws of the State of Florida.

8. This Agreement may be executed in counterparts, with each Agreement becoming a fully effective and binding document upon the Parties once both Parties have each executed this Interlocal Agreement by their duly authorized representatives.

IN WITNESS WHEREOF, the Parties have hereunto set their hands and seals the
date and year first above written.
