NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF LEE COUNTY, FLORIDA, AS FOLLOWS:

SECTION 1. CREATION OF “SUNSET COVE CHANNEL DREDGE MUNICIPAL SERVICE BENEFIT UNIT”

There is hereby created and established the Sunset Cove Channel Dredge Municipal Services Benefit Unit (the “Unit”) under the authority of §125.01, Florida Statutes, and pursuant to the provisions of the Ordinance. The Unit will consist of all real property in the unincorporated area of Lee County, Florida outlined on Exhibit “A” attached hereto and incorporated herein by reference.

SECTION 2. PURPOSE FOR CREATION OF THE UNIT

The Unit is created for the principal purpose of acquiring, constructing or otherwise providing and maintaining various essential municipal services, facilities and improvements within the Unit.

SECTION 3. THE PROJECT AND ESTIMATED COST

The Board hereby determines that the channel dredging improvements (the “Project”), within the boundaries of said Unit is in the best interests of the County and the property owners in the Unit. The estimated Cost (as such term is defined in the Ordinance) of the Project is \$393,395. The Board hereby finds that the formation and completion of the Project within the Unit is an improvement which will primarily benefit those lots and/or parcels of property within the Unit in a manner that is in addition to or different from the benefit that the general public will enjoy. The Cost of the Project will be assessed in accordance with the terms of the Ordinance. All funds borrowed, from either an internal County source or from an external source, and expended during the Project, are to be reimbursed with the long-term financing obtained upon the completion of the Project.

SECTION 4. PROPOSED METHOD OF ASSESSMENT

The proposed method of assessment to be made upon benefited property within the Unit will be by a non-ad valorem per parcel basis. Each parcel of property within the Unit will be assessed in proportion to the benefit the parcel derives from the Project, as per the preliminary assessment roll (attached).

SECTION 5. INTEREST RATE AND TERMS OF SPECIAL ASSESSMENTS

All special assessments will be payable in annual principal installments and interest in conformity with the financing agreement the County has at the time the final resolution confirming the preliminary assessment roll. The interest rate will be as identified in the financial agreement plus one percent. No prepayments of special assessments will be accepted prior to adoption of the final resolution confirming the preliminary assessment roll.

Upon adoption of such confirming resolution, special assessments may be prepaid in full, without interest, other than interest included as a cost during construction of the related improvement, at the office of MSTBU Services within 30 days of adoption of such confirming resolution. Special assessments may be collected pursuant to the Uniform Assessment Collection Act contained in Florida Statutes Chapter 197 in Ten (10) equal annual principal installments, with interest at the resulting rate as the Project may be financed, subject to the provision of Section 4.01 of the Ordinance.

SECTION 6. POWERS

For the purpose of providing the services described in this Resolution within the Unit, the County will have all the authority and powers provided in the Ordinance and Chapter 125, Florida Statutes. Should a parcel, as described in the legal description attached hereto, be subdivided after adoption of the final resolution, the assessment will remain with the parent parcel, unless the MSTBU Coordinator is notified prior to the subdivision. Upon notification, the MSTBU may reallocate any remaining assessment due among parcels involved in the subdivision.

SECTION 7. EFFECT OF ADOPTION OF RESOLUTION

The adoption of this Resolution will be the final adjudication of the issues presented hereby unless proper steps are initiated in a court of competent jurisdiction to secure relief within 20 days from the date of adoption of this Resolution.
