These provisions apply to all Recipients:

If any new projects funded under this Agreement are for project-based rental assistance for a term of fifteen (15) years, the funding provided under this Agreement is for the performance period stated herein only. Additional funding is subject to the availability of annual appropriations.

HUD designations of Continuums of Care as High-performing Communities (HPCS) are published on HUD.gov in the appropriate Fiscal Years' CoC Program Competition Funding Availability page. Notwithstanding anything to the contrary in the Application or this Agreement, Recipient may only use grant funds for HPC Homelessness Prevention Activities if the Continuum that designated the Recipient to apply for the grant was designated an HPC for the applicable fiscal year.

The Recipient must complete the attached "Indirect Cost Rate Schedule" and return it to HUD with this Agreement. The Recipient must provide HUD with a revised schedule when any change is made to the rate(s) included in the schedule. The schedule and any revisions HUD receives from the Recipient will be incorporated into and made part of this Agreement, provided that each rate included satisfies the applicable requirements under 2 CFR part 200 (including appendices).

This Agreement shall remain in effect until the earlier of 1) written agreement by the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; 3) upon expiration of the budget period and performance period for all projects funded under this Agreement; or 4) upon the expiration of the period of availability of Grant Funds for all projects funded under this Agreement.

HUD notifications to the Recipient shall be to the address of the Recipient as stated in the Recipient's applicant profile in e-snaps. Indirect Cost Schedule

Agency/Dept./Major Function	Indirect Cost Rate	Direct Cost Base

This schedule must include each indirect cost rate that will be used to calculate the Recipient’s indirect costs under the grant. The schedule must also specify the type of direct cost base to which each included rate applies (for example, Modified Total Direct Costs (MTDC)). Do not include indirect cost rate information for subrecipients.

For government entities, enter each agency or department that will carry out activities under the grant, the indirect cost rate applicable to each department/agency (including if the de minimis rate is used per 2 CFR §200.414), and the type of direct cost base to which the rate will be applied.

For nonprofit organizations that use the Simplified Allocation Method for indirect costs or elects to use the de minimis rate of 10% of Modified Total Direct Costs in accordance with 2 CFR §200.414, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

For nonprofit organizations that use the Multiple Base Allocation Method, enter each major function of the organization for which a rate was developed and will be used under the grant, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

To learn more about the indirect cost requirements, see 24 CFR 578.63; 2 CFR part 200, subpart E; Appendix IV to Part 200 (for nonprofit organizations); and Appendix VII to Part 200 (for state and local governments).
