PERPETUAL STORMWATER DRAINAGE AND ACCESS EASEMENT

THIS Perpetual Drainage Easement grant is given this ____ day of _____, 2023, between **Lehigh Acres Municipal Services Improvement District**, an Independent Special District of the State of Florida, formerly East County Water Control District, whose address is 601 East County Lane, Lehigh Acres, Florida 33936, (hereinafter "*LAMSID*"), and **Lee County**, a political subdivision of the State of Florida, whose address is P.O. Box 398, Fort Myers, Florida 33902-0398 (hereinafter "*County*") as follows:

WITNESSETH:

1. For and in consideration of the sum of Ten and xx/100 Dollars (\$10.00) and other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, LAMSID hereby grants and transfers to County, its successors and assigns, the use of a perpetual public drainage and maintenance access easement situated in Lee County, Florida, and located and described as set forth in attached Exhibit "A" (the "*Easement Area*").
2. County, its successors, appointees and assigns, are granted the right, privilege, and authority to construct and maintain stormwater drainage pipelines, swale, storm drain and other appurtenances, to be located upon, under, across and through the Easement Area with the additional right, privilege and authority to remove, replace, repair and enlarge said system, and to trim and remove roots, trees, shrubs, bushes and plants, and remove fences when reasonably necessary for the proper construction and operation of the said facilities. County has the right and authority to remove and dispose of dirt, rocks and vegetation within Easement Area.
3. County, its successors, appointees and assigns, are hereby granted the additional right, privilege, and authority to place crushed stone, concrete or other stabilizing material within the Easement Area for the purpose of providing suitable access by

workmen, vehicles and equipment to construct and maintain the County's drainage improvements contemplated herein.

4. The access improvements located in the Easement Area will not be limited to any particular material type or style. The total area of this Access Easement Area is reserved for the ingress and egress by the County. Houses, buildings, carports, garages, storage sheds, overhangs, fences or any other structures may not be constructed upon or placed within the Easement Area by LAMSID, its heirs, successors or assigns.
5. Easement Area is reserved for drainage pipelines, swales, appurtenances and access improvements. The stormwater drainage pipeline improvements will not be limited to any one (1) diameter size, type, and/or number of connections to other stormwater pipes for providing drainage. LAMSID retains the right to utilize Easement Area for access, drainage ways, or similar uses that do not conflict with the County's intended uses.
6. Title to the stormwater drainage facilities, and access improvements constructed hereunder shall remain in the County, County's successors and assigns.
7. LAMSID warrants that subject to existing easements, if any, for public highways or roads, railroads, laterals, ditches, pipelines and electrical transmission or distribution lines and telephone and cable television lines covering the land herein described, LAMSID is lawfully seized and possessed of said lands, has good and lawful right and power to convey, and that Easement Area is free and clear of all liens and encumbrances, except as defined herein.
8. LAMSID, its successors or assigns, assume all liability for any consequential damages to any houses, buildings, carports, garages, storage sheds, overhangs, or any other structures or portions of structures subsequently constructed by LAMSID in violation of Paragraph 4, herein, which result from the activities of the County for any construction, maintenance or repairs to the drainage facilities located within Easement Area.
9. THIS AGREEMENT shall be binding upon the parties hereto, their successors and assigns.
