 - 20.4. An entity or affiliate who has been placed on the State of Florida's Discriminatory Vendor List (This list may be viewed by going to the Department of Management Services website at <http://www.dms.myflorida.com>) may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a vendor, supplier, sub-contractor, or consultant under contract with any public entity, and may not transact business with any public entity.

23. RFP – EVALUATION
- 23.1. **Ranking Method:** Lee County uses the Dense Ranking (1223" ranking). In Dense Ranking, items that compare equal, receive the same ranking number, and the next item(s) receive the immediately following ranking number. Equivalently, each item's ranking number is 1 plus the number of items ranked above it that are distinct with respect to the ranking order. This ranking method is used for each individual committee member's scores. Thus if A ranks ahead of B and C (which compare equal) which are both ranked ahead of D, then A is ranked number 1("first"), B is ranked number 2 ("joint second"), C is also ranked number 2 ("joint second") and D is ranked number 3 ("third").
 - 23.2. **Evaluation Meeting(s):**
 - 23.2.1. The first evaluation will rank Proposers based on the scores from the selection criteria point values.
 - 23.2.2. Following the initial evaluation process, the short-listed proposer(s) may be required to provide an on-site interview/presentation.
 - 23.2.3. Such subsequent evaluations are to be accomplished by simply ranking the Proposers based off the details provided through the on-site interview/presentation. Proposers will be ranked in sequential order with one (1) being the highest ranking. Proposers' rankings will then be totaled with the total lowest scores receiving final rank order starting with one (1) that shall indicate the highest technically evaluated and most qualified Proposer by the evaluation committee.
