- 1.6 Copies and Proprietary Notices. Any Licensed Products, together with any accompanying technical or system documentation that is delivered to Client pursuant to this Agreement shall not be copied, except that one (1) copy may be made for backup or archival purposes, provided any such copy is clearly marked as proprietary to IWT, licensed to Client, and contains IWT's proprietary notices. Client shall be permitted to make additional copies of documentation specifically designated for training of end users. Client shall not remove any proprietary notices or labels on the Licensed Products or its documentation.
- 1.7 Violation. Violation of any provision of this Section 1 shall breach the Agreement and be the basis for immediate termination of this Agreement and the corresponding license grant to the Licensed Products with no refund to Client of fees paid to IWT.

2. Maintenance and Support

- 2.1 Support Services. Subject to the payment of the applicable licensing and support fees as set forth in Exhibit A, IWT shall provide Client with the maintenance and support services as set forth in Exhibit B of this Agreement ("Support Services") for the Licensed Products. Exhibit B may be updated from time to time at IWT's sole discretion, provided said updates do not materially diminish the Support Services provided to Client without Client's consent.
- 2.2 Payment and Term. Provided that this Agreement and the license for the applications which the Support Services are to be performed, IWT will provide Support Services as specified in Exhibit B of this Agreement for the support fees indicated in Exhibit A. - 5.2 Taxes. Fees do not include any taxes. Client is exempt by law from payment of Florida and Local Sales Tax and Federal Excise Tax. In the event that taxes are assessed by any governmental body on any deliverable provided under this Agreement, in which Client is not exempted from paying, IWT shall have the option to terminate the Agreement in lieu of assessment of the taxes against IWT. Client shall provide IWT with a valid tax exemption certificate upon request.

- 5.5 Currency. All fees are stated in US dollars and are payable in US currency.

Upon termination for breach, all use and access to the Licensed Products shall cease and Client shall immediately return to IWT or destroy all copies of the Licensed Products, together with all documentation and any other IWT proprietary information in its possession. IWT represents and warrants that it is experienced in providing the Professional Services and Support Services described herein and further warrants that it will perform the Professional Services and Support Services in a good, workmanlike, and professional manner. Client's remedy for breach of the foregoing warranties shall be the re-performance of the relevant Professional Services free of charge.
- 7.5 Disclaimer. In no event will IWT be liable for any loss of profits, loss of use, business interruption, loss of data, cost of cover, or indirect, special, incidental, or consequential damages of any kind in connection with or arising out of the furnishing, performance or use of the Licensed Products, Professional Services and/or Support Services provided to Client under this Agreement as applicable, whether arising in contract or tortious conduct, or any other legal theory, including negligence, or whether arising from mistakes, omissions, interruptions deletion of files, errors, defects, viruses or other malicious code, delays in operation of transmission, or the use or performances of a Work Product, or the delay or failure of performance the Professional and/or Support Services provided under this Agreement, even if IWT has been advised of the possibility of such damages.

EXCEPT AS EXPRESSLY SET FORTH HEREIN, IWT MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NONINFRINGEMENT, AND IWT HEREBY DISCLAIMS THE SAME.
- 7.7 Exception to Warranty. IWT'S WARRANTY OBLIGATIONS SHALL NOT APPLY IF THE LICENSED PRODUCTS OR SOFTWARE WORK PRODUCT'S FAILURE TO PERFORM IN ACCORDANCE WITH ITS FUNCTIONAL SPECIFICATIONS IS CAUSED BY: (I) THIRD PARTY SOFTWARE LICENSED BY CLIENT; (II) CLIENT'S USE OF OR ACCESS TO THE LICENSED PRODUCTS OTHER THAN AS INTENDED OR IN VIOLATION OF THIS AGREEMENT; OR (III) UNAUTHORIZED MODIFICATIONS MADE TO THE IWT LICENSED PRODUCTS OR SOFTWARE WORK PRODUCT BY CLIENT.
- 7.8 Indemnification. (a) By IWT. In the event that IWT concludes, in its sole discretion, that such procurement, replacement or modification is not reasonably practical, IWT may terminate the applicable Exhibit and/or this Agreement without penalty and refund that portion of the Fees attributable to the infringing product, prorated on a monthly basis. Client shall cease all use of a Licensed Product or Work Product for which a refund is given. This paragraph sets forth the exclusive remedy of Client against IWT, and IWT's exclusive obligation, with respect to any action or claim described herein. (b) By Client. Subject to the monetary limits found in Section 768.28, Florida Statutes, Client agrees to defend, indemnify, and hold harmless IWT, its successors and assigns, and their agents, servants, employees from and against any and all claims, demands, damages, actions or causes of action at law or equity, asserted by third parties for bodily injuries, death or physical property damage, to the extent caused by Client's

negligent acts or omissions or willful misconduct. Client shall be entitled to have sole control over the defense of such claim, unless the claim involves or relates to an intellectual property right of IWT in which case IWT may elect to have sole control over the defense of such claim as described in the preceding paragraph, and such election by IWT shall have no effect upon Client's obligations to indemnify and hold harmless hereunder. If Client does not assume sole control over the defense of such claim as provided in this section, IWT may participate in such defense and IWT shall have the right to defend the claim in such manner, as it may deem appropriate, at the cost and expense of Client.

- 7.9 Client Responsibility. Client acknowledges and agrees they bear all liability for Client's employees' activity on IWT's systems. Client will be solely responsible for bearing any and all costs of obtaining any required third party licenses for data loaded into IWT's systems by Client's employees.
- 7.10 Limitation of Liability. IN NO EVENT WILL IWT'S LIABILITY ARISING FROM OR RELATING TO THIS AGREEMENT EXCEED THE AGGREGATE AMOUNT OF PAYMENTS RECEIVED BY IWT FROM CLIENT UNDER THE EXHIBIT GIVING RISE TO THE CLAIM. ADDITIONALLY, IN NO EVENT WILL IWT BE LIABLE FOR ANY CLAIM BROUGHT BY CLIENT MORE THAN FOUR (4) YEARS AFTER THE CAUSE OF ACTION AROSE OR REASONABLY SHOULD HAVE BEEN DISCOVERED.

8 Confidentiality

- 8.1 Obligations. "Confidential Information" shall mean any proprietary trade secrets (as materially defined by the Florida Statutes, Chapter 812.081 on the execution of this Agreement) which are disclosed by either party to the other in any form in connection with this Agreement. During the term of this Agreement and for a period of five (5) years after the date of termination of this Agreement or for a period of five (5) years after the termination of use of the Licensed Products, whichever period is longer, each party: (i) shall treat as confidential all Confidential Information provided by the other party; (ii) shall not use such Confidential Information except as expressly permitted under the terms of this Agreement or otherwise previously authorized in writing by the disclosing party; (iii) shall implement reasonable procedures to prohibit the disclosure, unauthorized duplication, reverse engineering, disassembly, decompiling, misuse or removal of such Confidential Information; and (iv) shall not disclose such Confidential Information to any third party. Without limiting the foregoing, each of the parties shall use at least the same procedures and degree of care to prevent the disclosure of Confidential Information as it uses to prevent the disclosure of its own confidential information of like importance, and shall in any event use no less than reasonable procedures and a reasonable degree of care.
- 8.2 Exceptions. Notwithstanding the above, neither party shall have liability to the other with regard to any Confidential Information that: (i) was generally available to the public at the time it was disclosed, or becomes generally available to the public through no fault of the receiver; (ii) was known to the receiving party at the time of disclosure as shown by written records in existence at the time of disclosure; (iii) was developed independently by the receiving party prior to the disclosure, as shown by written records in existence prior to the disclosure; (iv) is disclosed with the prior written approval of the disclosing party; (v) becomes known to the receiving party from a source other than the disclosing party without breach of this Agreement by the receiving party and in a manner which is otherwise not in violation of the disclosing party's rights; or (vi) is disclosed pursuant to Florida State public records laws, the order or requirement of a court, administrative agency, or other governmental body, provided that the receiving party shall provide reasonable advance notice to enable the disclosing party to seek a protective order or otherwise prevent such disclosure and further provided that any such disclosure shall not destroy or diminish the confidential status of such Confidential Information.

9 Miscellaneous

- 9.1 Force Majeure. Neither party shall be liable to the other by reason of any failure of performance hereunder (except failure to pay) if such failure arises out of causes beyond such party's reasonable control, despite the reasonable efforts and without the fault or negligence of such party. Without limiting the generality of the foregoing, IWT shall not be liable to Client in any way for any failure or delay in the performance of its obligations hereunder which failure is caused, directly or indirectly, by the failure of any matter for which Client is responsible under this Agreement or which is a suspension of services for Client's failure to pay.
- 9.2 Assignment. Neither party may assign this Agreement without the prior written consent of the other, which consent will not be unreasonably withheld. Notwithstanding the foregoing, IWT may assign this Agreement to any entity acquiring substantially all of its stock or assets or the assets to which this Agreement or any Exhibit relates.
- 9.3 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, without regard to conflicts of law principles.
- 9.4 Exhibits. Each Exhibit to this Agreement shall incorporate the terms of this Agreement. In the event of any conflict between the terms of this Agreement and the terms of any Exhibit, the terms of this Agreement shall control unless an Exhibit expressly provides otherwise. Additional Exhibits added to this Agreement from time to time by the mutual written agreement of the parties shall be numbered sequentially under the letters of the respective Exhibit title (e.g. Exhibit A Licensed Products shall be A-1, A-2, etc.) and each shall be in addition to the previous Exhibit.
- 9.5 Records & Audits. IWT, its agents or representatives, shall have the right to conduct a technical audit of Client's records, for the express purpose of determining whether Client is in compliance with the terms of this Agreement. Should IWT find that Client is not in compliance, Client shall pay the additional damages as may be due.
- 9.6 Independent Contractor. IWT is an independent contractor and, except as specifically contemplated in any Exhibit to this Agreement, is not an agent or employee of, and has no authority to bind, Client by contract or otherwise. IWT will

perform the Services under the general direction of Client, but IWT will determine, in IWT's sole discretion, the manner and means by which the Services are accomplished. Client has no right or authority to control the manner or means by which the Services are accomplished.

- 9.7 Waiver. No delay or omission by either party to exercise any right or power unless in writing and signed by the party waiving rights it has under this Agreement shall impair or be construed as a waiver of such right or power. A waiver by either party of any covenant or breach shall not be construed to be a waiver of any succeeding breach or of any other covenant.
- 9.8 Notices. Any notice required to be sent to a party under this Agreement will be in writing, shall be sent by: facsimile; first-class mail return receipt requested; personal delivery; or overnight courier to the Address for Notices given for that party below, and shall be considered delivered upon proof of such delivery. - 9.9 Severability. If any provision of this Agreement is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision, but only to the extent that such provision is unenforceable, and this Agreement shall be deemed amended by modifying such provision to the extent necessary to make it enforceable while preserving its intent or, if that is not possible, by substituting another provision that is enforceable and achieves the same objective and economic result. It is expressly understood and agreed that each provision of this Agreement that provides for a limitation of liability, disclaimer of warranties, indemnification or exclusion or damages or other remedies are intended to be enforced as such. Further, it is expressly understood and agreed that in the event any remedy under this Agreement is determined to have failed its essential purpose, all limitations of liability and exclusions of damages or other remedies shall remain in effect.
- 9.10 Non-Solicitation. IWT and Client agree that the employees of IWT and Client may possess technical abilities that are in great demand and further agree that each party has incurred substantial expense in recruiting and training such employees and would incur even greater expense if required to replace any such employee. Therefore, IWT and Client each agree not to recruit, either directly or indirectly, a present employee of the other during the term of this Agreement or any other agreement between them, and for one year following termination of all such agreements, without the express written consent of the other party. Upon breach of this provision, the breaching party agrees to pay the other two times the yearly compensation of the affected employee. This remedy provided in this paragraph shall be the only monetary remedy for breach of the terms of this paragraph. Neither party is prevented from seeking equitable relief for breach of this paragraph.
- 9.11 Survival. Payment obligations and any other provisions, which by their terms or their nature are intended to survive, shall survive the expiration or termination of this Agreement.
- 9.12 Entire Agreement and Amendment. This Agreement, with all Exhibits, is the entire agreement between the parties with respect to its subject matter, and supersedes and replaces any prior agreement between the parties with respect to said subject matter and there are no other representations, understandings or agreements between the parties relative to such subject matter. Amendments or waivers of any provision of this Agreement or its Exhibits shall be valid only as clearly identified as such, in writing and signed by the parties. No purchase order submitted by Client, even if accepted by IWT, shall be deemed to modify any terms of this Agreement, unless IWT has expressly stated in writing its intent to do so.
- 9.13 Non Appropriation. Client intends to remit to IWT all payments for the full term if funds are legally available. In the event Client is not granted an appropriation of funds at any time during the term for the funds and are not, otherwise available to Client to pay IWT payments due and to become due under this Agreement, and there is no other available funds by which payment can be made to IWT, and the non-appropriation did not result from an act or omission by Client, Client shall have the right to terminate this Agreement on the last day of the fiscal period for which appropriations were received without penalty or expense to Client, except as to the portion of the payments for which funds shall have been appropriated and budgeted. At least ninety (90) days prior to the end of Client's fiscal period, Client's Business Services Executive Director shall certify in writing that (1) funds have not been appropriated for the next fiscal period, (b) such non-appropriation did not result from any act or failure to act by Client, and (c) Client has exhausted all funds legally available to pay IWT. If Client terminates this Agreement because of non-appropriation of funds, Client may not purchase or lease during the subsequent fiscal period, software and/or service performing the same function as, or functions taking the place of those performed by the software and/or service provided by IWT; however, that these restrictions shall not be applicable if or to the extent that the application of these restrictions would affect the validity of this Agreement.
- 9.14 Data Extraction. During the term of this Agreement, Client may utilize the standard functionality of the Licensed Products for their intended purpose, including the ability to download copies of documents loaded into or generated by the Licensed Products. Client shall have the right to retain a copy of all downloaded documents in perpetuity. During the term of and within thirty (30) days following termination of this Agreement, Client may request IWT to provide consulting services to Client in order to perform a custom extract of Client data from the Licensed Products. IWT will provide the requested consulting services for an hourly rate of \$200.00 per hour. Custom data extracts will be provided

electronically in a text delimited flat file format (or other mutually acceptable format) and will be scrubbed of all IWT proprietary data structures. Client and IWT will work together to determine a list of the specific data elements to be provided, at which point IWT will provide an estimate of the time required to extract the data. Once the estimate has been provided, if Client wishes IWT to proceed with the data extract, Client will make a mobilization payment of fifty percent (50%) of the estimated amount to IWT. After receipt of this payment, IWT will then have thirty (30) days to deliver the data extracts to Client. Client shall have thirty (30) days upon receipt of the data to review for acceptance. Upon acceptance, IWT will provide Client with a final accounting of hours and Client shall be responsible for payment of the additional consulting fees.

2. IWT shall use commercially reasonable efforts to deliver a solution or action plan to correct reported errors that IWT categorizes as: (i) "Level 1 Catastrophic" within eight (8) business hours of receipt of the reported error. "Level 1 Catastrophic" is defined as a condition in which the IWT Products are partially or totally inoperative, including but not limited to, total system failure, data loss, data corruption, or a processing of functions and processes so slow as to render the application unusable, or any Level 2 error where a reasonable alternative work process cannot be established; (ii) "Level 2 High Impact" within the next scheduled production release of the IWT Products or within one hundred-twenty (120) days from the date error was logged with IWT, whichever shall first occur. "Level 2 High Impact" is defined as any error that results in the usability of the product being restricted and for which a reasonable alternative work process can be established; (iii) "Level 3 Non-Critical," which errors IWT shall use commercially reasonable efforts to correct within the next scheduled production release of the IWT Products. "Level 3 Non-Critical" is defined as any error wherein one or more functions do not operate optimally, but where impact on functionality and/or usability is agreed by Client and IWT to be minor and result in a mutually acceptable disruption to Client's workflow process; and (iv) "Level 4 Cosmetic," which errors IWT shall use commercially reasonable efforts to correct within the next scheduled production release of the IWT Application, at IWT's sole discretion. "Level 4 Cosmetic" is defined as any error that cannot be categorized as belonging to any higher severity level, including but not limited to a cosmetic or documentation error.
3. IWT shall provide all extensions, enhancements, and other changes, which are logical improvements to a IWT Product and to which IWT makes generally available on a commercial basis, without charge, to any other licensee of the IWT Product ("Updates"). Updates do not include any new software products that are then made generally available on a commercial basis as separate, price-listed options or additions to an IWT Product nor do they include any Professional Services Fees that may be required for implementation.
4. IWT shall have no obligation to provide Support Services except to Client Support Contact and only with respect to the unmodified Supported Releases. When an IWT Product is deployed in conjunction with other software products, including but not limited to web servers, browsers, databases, and operating systems, IWT is not responsible for providing Support Services for these other products, or for ensuring correct interoperability with these products.
5. Client shall use commercially reasonable efforts to assist IWT in reproducing the specific situation in which a IWT Product, standing alone, demonstrates a failure to substantially conform in all material respects to the functional specifications set forth in its accompanying documentation ("Defect"). Client Support Contact shall conduct reasonable and adequate research with respect to a Defect or related issue prior to contacting IWT for assistance.

Hosting Services

1. IWT shall use commercially reasonable efforts to make all hosted IWT Products available to Client for at least ninety-nine percent (99%) of the time (determined monthly), seven (7) days a week, twenty-four (24) hours per day, not including any unavailability that; (i) lasts less than fifteen (15) minutes; (ii) results from regularly scheduled IWT maintenance; (iii) results from failure of Client's hardware or software; (iv) results from the failure of a communication service or other outside service or equipment not within the control of IWT; or (v) is beyond the reasonable control of IWT ("Service Availability").

1. Introduction

Client seeks to implement the IWT Sourcing applications (the "Solution"). The primary objective of the project is to configure and implement the Solution for the Client. This SOW describes the scope of services and the services investment necessary to complete the Solution implementation project. IWT Professional Services will use commercially reasonable efforts in a manner consistent with software industry standard guidelines and as outlined in this SOW to provide the guidance and expertise necessary to help Client successfully implement the Solution.

3. Summary of Client Responsibilities

Client agrees to undertake at its sole expense, the following responsibilities:

- (i) Assignment of an internal dedicated project manager to manage the Solution and its implementation.
- (ii) Coordinate internal participation in project related meetings.
- (iii) Provide materials and facilities for project related activities, including Internet-capable machines for training sessions.
- (iv) Purchase, install, and validate any third-party software required.
- (v) Develop and implement test scripts for acceptance of the Solution.

4. Technical Requirements

Client will be responsible for procurement, installation, and operational verification of all software, software licenses, equipment, and hardware required to support the Solution in the production deployment. This includes:

- (i) Web Browsers. Client will be responsible for procurement, installation, and operational verification of all web browser licenses. IWT will provide its minimum browser requirements during the Workshops.
- (ii) Commodity Code. Client will be responsible for procurement and licensing of any desired proprietary commodity code structure(s).
- (iii) Network Performance. Client is responsible for maintaining the satisfactory network performance needed to conduct the deployment of the production system.

5. Project Organization and Operating Procedures

- (i) Project Organization. Client and IWT agree to assign dedicated staff to perform their respective project activities.

- (ii) Change Control Process. IWT projects follow a standard change control process. If during the course of a project, a scope change is identified, then the IWT project manager will document the change and associated cost or schedule impacts on a change authorization form. Once documented, the IWT project manager reviews the change with the Client project manager. Scope changes are defined as any modification to the agreed scope of a project, including but not limited to requirements, software modules, configuration changes, project delays and enhancements or modifications to the product. Scope changes can require modification to cost, schedule, quality or other project deliverables and therefore require sign-off from the Client project manager. No work on scope changes will be conducted until sign off is obtained. Changes that impact scope require approval from the IWT project manager and the Client project manager.
- (iii) Acceptance Process. Client will review any Work Product requiring explicit acceptance within five (5) business days of delivery and will document required adjustments. If IWT does not receive notice within the defined five-day period, each Work Product will be considered accepted. Within five (5) days, IWT will provide a revised Work Product that incorporates the agreed adjustments. In the event that Client does not accept the revised Work Product, the parties may agree to repeat this review and acceptance process one additional time. If disputes remain after repeating the acceptance process, the project team will refer these to IWT's and the Client's executive teams for resolution.
- (iv) Work Location. Unless otherwise specified, Client and IWT will perform all work at their respective locations. If included, On-Site Training will be held at the Client's training facilities.
