Dear Mr. Campbell:

Reference is made to Department of the Army Permit No. SAJ-2015-03750 (SP-BEM) for renovations to the Alva boat ramp located in Alva, Florida and along the Intracoastal Waterway-Tributary Channel, Okeechobee Waterway Project.

Since a portion of the work, pursuant to the above referenced permit, is within the Federal right-of-way of the Okeechobee Waterway a consent to easement must be executed by Lee County and on behalf of the Government. Accordingly, enclosed you will find two copies of Department of the Army Consent to Easement No. DACW17-9-18-0090 designed to allow the boat ramp facility in the Government's right-of-way of the Okeechobee Waterway.

Please review the enclosed consent and have both copies executed on behalf of the Lee County Board of County Commissioners. Please do not date the consent; it will be dated when signed on behalf of the Government. Return both complete sets of the signed consent (with exhibits) to this office. Upon receipt of the signed consent, the consent will be dated and signed on behalf of the Government. A signed copy will be forwarded to you.

Thank you for your cooperation. Should you have any questions, please telephone Bertha Miller of this office at 904-232-3727.

Sincerely,

Derrick D. Moton
Acting Chief, Real Estate Division
