The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 7 business days.

Commodity or Service Required:
Parts & Repair Services for Volvo Construction Equipment

Description:
Lee County Solid Waste is seeking to purchase proprietary parts & repair services for Volvo construction equipment. The repair services include diagnostic scanning software that is only available through an authorized dealership/service center.

Intended Sole Source:
Flagler Construction Equipment, LLC.

Justification for Sole Source Acquisition:
Flagler Construction Equipment is the solely authorized Volvo dealer/service center; serving Lee County and the surrounding territory. Volvo Diagnostic software is proprietary and is only available for use by its authorized dealership/service center.

Recommended Procurement Approach: For the reason stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to contract with Flagler Construction Equipment, LLC. for supplying the above.
